

## A Special Gift Is Kindness – Visual Aid

Create a folded “gift” by taking a large piece of poster board, measure into thirds and cut away the outer corners. Then fold the squares into a flat “gift” box shape with fold-out pages. The top section will be where the **tied ribbon Bow** or the **flat paper Bow** will be attached and the other pages will each have an **A** and a **B** side as labeled. The center section will reveal a picture of a **heart**.

As the song is sung, the helper opens the pages one by one revealing the keyword and picture clues.
